Chia-Wei Hung

Phone: 555-0113 | Email: chiawei.hung@example.com | Location: Taichung, Taiwan

Summary

Junior web engineer with 1+ years of development experience, familiar with Python and MySQL. Worked on small and mid-sized company websites and internal management systems. Eager to learn and a good team player; looking to join a larger engineering team and deepen my backend skills.

Expected Salary

55,000 (monthly)

Work Experience

Assistant Engineer | Freelance Studio

May 2023 - Present (~1 yr 3 mos) | Taichung

- Helped build feature modules for a small e-commerce platform, writing basic data-processing logic in Python.
- Maintained MySQL databases, including regular backups and simple query optimization.
- Used Git for version control and worked with frontend engineers on release testing.
- Fixed known bugs in the existing system to improve stability.

Software Development Intern | Harbor Communications

Jul 2022 - Feb 2023 (8 mos) | Taichung

- Helped senior engineers write unit test scripts.
- Compiled technical development documents and recorded the system change history.
- Assisted with cross-browser compatibility testing.

Education

- Pinecrest Institute of Technology | B.S. in Computer Science | 2019 - 2023
- GPA: 3.2 / 4.0
- Capstone: smart campus queueing system (Python)

Skills
